

**REMARKS**

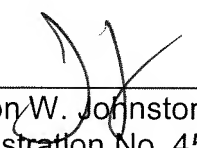

Currently, claims 60, 64, 65, 69-72, 74, and 76-83, including independent claim 60, are pending in the present application. In the Office Action, the Examiner indicated that claim 68 would be allowable if rewritten in independent form. As indicated, Applicants have amended claim 60 to incorporate the limitations of claim 68. Thus, it is believed that the claims are in condition for allowance. With respect to dependent claim 82, which was previously withdrawn, Applicants respectfully request that it be reinstated due to the fact that it depends from an allowable generic claim (independent claim 60).

Applicants respectfully submit that the present application is in complete condition for allowance and favorable action, therefore, is respectfully requested. Examiner Portner is invited and encouraged to telephone the undersigned, however, should any issues remain after consideration of this Amendment.

Please charge any additional fees required by this Amendment to Deposit Account No. 04-1403.

Respectfully requested,

DORITY & MANNING, P.A.
